Don't have copy of your Social Security card? Turn this sheet over to see other acceptable forms of a second ID.

Still using your Social Security number as part of your account number? We know changing it might not be fun... even though it's good for you.

While we prefer to have a social security card as a second form of identification, we will also accept the following documents in lieu of a Social Security card:

- Your employee ID badge with photo and employee ID number (for hospital employees)
- Valid U.S. Passport
- W-2 form with your social security number on it. The name on the W-2 must EXACTLY match the name on the account.

If there is a joint member on the account, the joint member needs to provide two copies of ID as well.

Mail everything to: Metro Medical Credit Union, 8828 Stemmons Freeway, Dallas, TX 75247. Thank you!
